

NEWSLETTER

10th October 2008

Glover Road

It has been reported to me that a significant number of our children (and some parents) are choosing to cross Glover Road without using the specific crossing. I would like to ask all parents to remind children of the importance of using the designated crossing area.

Plas Caerdeon Y6 Parents' Meeting

Our Y6 children will be visiting Plas Caerdeon Outdoor Education Centre in North Wales during the week of 20-24th October. A meeting for Y6 children and their parents is taking place on Tuesday October 14th at 5.30pm in Mrs Robinson's room. The meeting will outline the activities that are taking place during the visit and specific organisational information, as well as providing an opportunity for questions to be raised.

Open Afternoon

On Thursday 16th October, we will be holding our annual Open Afternoon for parents of children starting school in September 2009. Parents are invited into school and, specifically, into the Reception department, to have a look around, meet school staff and to ask any questions that they may have.

Learner Voice Conference

The Learner Voice Conference took place today. I shall be asking a member of the School Council to write a brief report on the event for one of the future newsletters.

University of Manchester

As part of our partnership with the University of Manchester, we will, again, be welcoming a Postgraduate Certificate in Education (PGCE) student for their placement. Their first visit will be next week and the student will be spending the

vast majority of his placement with Miss Brown's Y3 class.

Parents' Evening

The first Parents' Evening of the year took place this week. We had a turnout of over 97.5% and I would like to thank all of you who attended for continuing to demonstrate your commitment to working with school in order to support your child(ren)'s education.

Community Activity Groups

From time to time we are asked to send out information related to specific activity groups that operate in our local area. Where appropriate, we are happy to forward these to parents in order that our families are aware of the variety of opportunities that exist. However, it is important to point out that, unless specifically stated, none of these groups are endorsed by school.

Football Practice

There will be no football practice next Friday (17th October). We will resume on the 24th.

Children's Corner

This week we are printing pictures of Miss Brown's class on their recent visit to Bramall Hall,

Happy Birthday

The following children have had birthdays in the past week:

Connor Wrench ~ 7
Ryan Erlam ~ 9

Happy Birthday to them both!
