14th November 2008

PTA

We would like to 'relaunch' the school's PTA in order that activities can be started again as soon as possible. I have been approached by a couple of parents who are interested in being involved but we feel that we need a few more parents to express an interest so that an initial meeting can be arranged to move things forward. If any of you have an interest in being involved (at any level), please let us know by speaking to your child's class teacher, the school office or me directly.

Parent Governors Vacancies

Over the next couple of weeks, we plan to send out election papers for Parent Governor positions on the school's Governing Body. If anybody would like to speak to me in advance of this regarding the role, please contact the school office.

Planning for September 2009 and beyond

We are currently beginning the process of planning for our long term class structure at the school. Over recent years, our pupil numbers have been consistently increasing. However, we anticipate these becoming more consistent from September onwards as each year group becomes close to its limit of 45 pupils. We will, of course, write to all parents during the course of this process to keep you informed. However, parents are welcome to write to us if there are any issues you wish us to consider. Please pass letters/e-mails to school, marked 'For the Attention of Mrs. A. Bamford', Chair of Children's Curriculum and Well Being Committee.

Mr Clarke

I have been asked by the Key Stage 1 department to pass on thanks to Mr Andy Clarke (parent and governor at school) for delivering sessions on electricity and safety to the children again this week.

Pupil Survey

All children in school have, today, had the opportunity to complete a survey on aspects of school life. The outcomes will be used to inform future school improvement planning.

Transforming Learning Consultation

Last term Warrington Children's Services carried out a consultation on 'Transforming Learning' across the town. They collected opinions from children and young people on 'what they would like schools and learning to look like in the future'. They have now published their findings and these can be found at

www.warrington.gov.uk/educationandlearning

The Local Authority is now asking for comments to be e-mailed to them at

transforminglearning@warrington.gov.uk .

Children's Corner

This week's literacy work, printed overleaf, is by Ella Percival in Mrs. Stewart's Y2 class.

Happy Birthday

The following children have had birthdays in the past 3 weeks:

Danielle Himsley	~11
T'rell Riley	~11
Noah Wesson	~10
Charlie O'Brien	~ 9
