

Liverpool Cathedral

In September our class visited Liverpool Anglican Cathedral as part of our RE topic. The trip was hugely successful and resulted in some fabulous art work from the children. The children's behaviour was exemplary and brought many, many comments from members of the public visiting the cathedral. Well done to all of them.

Arts Day

At the end of last half term Locking Stumps held the first of their two arts days. The children have produced some stunning displays for within school as well as making a series of beautiful wall hangings for Thomas Risley church.

Year 5 and Year 6 are in the process of producing a fantastic wall hanging based on the New Testament. Unfortunately completion has been delayed slightly due to the Year 6 residential visit to Plas Caerdeon, but please look out for them if you are intending to visit the church in the near future.

Year 5 have also created a beautiful display based on Kenyan art work.

It was lovely to see you all at Parents' evening last half term. As always, any concerns please pop in to see me, give me a ring or write a quick note in homework diaries.
