

# Mrs Dell's Class

Welcome back Class 10! I hope you have had a good rest and are ready for a fun packed seven weeks. This half term we have lots of exciting things planned such as practising the Christmas Play, making Christmas cards and calendars and lots more interesting things.

Over the next seven weeks we will be learning about the following :

**Literacy** -The children will read the poem 'The Highwayman' by Alfred Noyes and will carry out some drama activities. They will also write some first person accounts from the point of view of Bess and the Highwayman.

**Science**—In Science the children will learn about 'Keeping Healthy.' This will involve learning about the elements needed in a Balanced Diet, exercise and the Human Body.

**Numeracy** -The children will be learning about 2D & 3D shapes and will also collect information and organise their findings into graphs and charts

**R.E**— Environment & Christmas

**Topic**—In Topic the children will continue to learn about South Africa.

This half term year 5 really enjoyed their trips to Liverpool Anglican Cathedral. The children produced some fantastic stained glass windows and some excellent re-counts. They also welcomed the opportunity to visit a Hindu Temple and have produced some great fact files.

## Homework Project

The next project is called 'Create a Person!' This project involves making a model, create a fact file and design a house.  
Due in Thursday 16th December

Just a reminder, I sign the Homework diaries every Monday, please ensure your child's diary is signed weekly.

Also, please could you sign the Homework diary once you have listened to them read (at least three times a week).

P.E kits need to be in school every Monday and Wednesday

**This half term I am really looking forward to seeing the Children's projects again. I was very impressed with the standard of the work they produced last half term and as a result we have a fantastic display showing all the children's models of 'African Instruments.' Please feel free to pop in before or after school to have a look.**
