Y4 Residential Parents' Meeting

A meeting for parents and children in Y4 about the forthcoming visit to the Conway Centre is taking place in school on Monday 15th June at 5.30pm. A representative of the Conway Centre will be attending the meeting to pass information about the trip and to answer any questions parents and children may have.

Miss Brown has set up a blog with information about our residential trip - www.conwaycentre.blogspot.com. We hope to keep this updated during the trip.

Music Evening

The now annual Locking Stumps Musical Evening takes place on Wednesday 17th June at 6.30pm. The event includes individual and group instrumental pieces as well as songs from the school choir. Additional information will be/has been sent home separately from this newsletter.

Sailing Opportunity

Bobby Hewitt in Year 5 is a member of Leigh and Lowton Sailing Club. Bobby has been a member for over two years and has made excellent progress and now competes in national competition. Bobby has asked that I inform parents and children that the sailing club is holding an Open Day tomorrow (13th June) between 10.30am and 3.30pm. All adults and children are invited to visit and learn more about what the club has to offer and to try out sailing. People need to just turn up on the day with a change of clothes and a towel! The Open Day takes place at Sandy Lane, off Green Lane, Lowton WA3 1BQ. Further information is available at www.llsc.co.uk.

Vandalism/Trespassing

Unfortunately, I have to report that Locking Stumps Nursery was broken into over the Whit break. It appears that the only purpose for the break in was to vandalise some of the children's work and their environment. Clearly, this is very distressing for the children and staff at the nursery. If anybody has information about who may have been responsible for this, please contact school or the police.

It has also been reported that there has been an increase in trespassing on the school premises. Whereas much of this seems to be for relatively harmless activities (e.g. playing football), experience has taught us that, unfortunately, permitting any unauthorised activity on school grounds tends to lead to damage to school. I

have asked the Community Police Officer to visit school more often to monitor this and am asking that parents and members of the school community support us with this.

Footballing Success

Jack Sanson in Year 4 has written to me to share the success he and his team have had this year. His U-9 team at Winwick Athletic have won this year's Warrington Division 1 League. Well done to Jack and his team-mates.

PTA Meeting

The next PTA meeting takes place in school on Thursday 18th June, between 5 and 6pm. All parents are welcome to attend.

Class/Team Photographs

Whole class and team photographs were taken in school on Thursday. Proof copies and order forms will be sent home shortly.

Children's Corner

This week's topic work, printed overleaf, is by Jordan Keating in Miss Collins' Y1 class.
