Primary Arts Network

Our school is, again, taking part in the Warrington Primary Arts Network (PAN) programme this year. Today, Mrs Evans and Mrs Ward have taken pieces of work from every year group in the school to the Pyramid Centre. The artwork will be displayed alongside work from schools across the town for a public exhibition.

Uniform Exchange

The PTA have decided to arrange a 'Uniform Exchange' service which will allow parents to purchase items of used school uniform (still in good condition) for a small fee. Information about this will be sent home by the PTA.

Bike Right

Bike Right training starts for Y5 children next Friday (22nd May). Parents of the children involved will be receiving additional information.

Head Lice

Unfortunately, we have had a small number of cases of head lice reported recently. In order for us to keep this under control it is important that parents regularly check their child(ren) and report cases to school.

Football Practice

There will be no football practice on Friday 22nd May. We will restart on 12th May (the first Friday back after the Whit half term break).

Key Stage 2 SATs

Well done to all of the Y6 children who have completed their SATs tests this week.

Uniform Orders

The sample rail will be in school from Monday (18th May), if you wish to check the sizes for your next order (an order form should be with this letter). Please return any orders required before the Whit break, in order for these to be processed before the end of the summer term. Any orders received after this may not be ready for collection until September.

Children's Corner

This week's literacy work, printed overleaf, is by Thomas Jack Fairbanks in Mrs Jennings' YR class.
