Playground Equipment

As I have mentioned in previous newsletters, I would like to remind all parents that children are not allowed to use the playground equipment before or after school unless they are closely supervised by their own parent/carer.

Good Citizen Award

The latest winner of the Liverpool John Moores' University Good Citizen Award is **Noah Wesson** in Y5. He was picked from a group of nominations for the consistently caring approach he shows towards his peers and younger children in the school. He has received his award today in Celebration Assembly.

Cycling to School

The school bike shed has been a huge success and it great to see so many children cycling to school. However, the vast majority of children are not wearing cycle helmets for these trips. Please would all parents be aware that it is school policy to encourage the use of helmets. As part of this, we will soon be discussing the risks of cycling without a helmet with our children. I am requesting that parents ensure their child(ren)'s safety by supporting us with this.

Football

Our football team took part in the Broomfields Festival this week. We played five games, winning one, drawing two and losing two. The team conducted themselves excellently and were a credit to the school.

Our goals were scored by **D'Nai Riley** and **T'Rell Riley** and amongst excellent efforts from **Jonathan Mason** and **Jack Willcock** also stood out.
