Welcome Back

As usual, I would like to start the first newsletter of the school year by welcoming back all of our children and families, as well as welcoming all of the new families.

Below is a photo of two of our new Reception children in their first week in school.

We also welcome some new members of staff:

Cathey Briars is teaching a Y5 class and **Karen Neil** has joined our Teaching Assistant team.

Tristan Nash and Logan Fletcher working together to investigate water on their second day in school.

Behaviour Policy

Our school Behaviour Policy had its annual review at the end of the summer term. Even though the policy does not have any significant changes, it is our practice to annually remind parents of its availability on the school's website. Hard copies can also be requested from the school office.

Trim Trails

The KS2 Trim Trail has now been modified and has reopened to children.
